CORPORATION CONFIDENTIALITY POLICY

In line with the Corporation's commitment to openness and accountability, the Corporation aims to keep confidential papers and agenda items and exclusions from meetings to a minimum.

Certain information will be considered confidential to the Corporation and Colleges Senior Leadership Team, including:

- Any information relating to the terms and conditions or other detail regarding an individual member of staff or student.
- Information which the Chair or Principal consider to be commercially sensitive.

All confidential minutes and papers will be clearly marked.

The sensitivity of confidential minutes and papers will be reviewed annually by the Search Committee in the Autumn term. They will determine whether confidentiality is maintained and ensure that information is released into the public domain when the criteria for confidentiality are no longer met.

Corporation meeting agendas are clearly segregated into 3 parts:

Part A: **Public Items**: no restriction. This section includes most items of business and is attended by all Corporation members, SLT and Senior Students (in attendance).

Part B: **Confidential Items**: restricted to full members only and SLT. Under provisions in the Instruments & Articles of Government the Student members, and any other staff member in attendance, will be asked to attend these sessions as appropriate. Confidential items are printed on pink paper.

Part C: **Restricted Items**: restricted to full members only. This section deals with remuneration for the Principal and Senior Post Holders. The Principal is asked to leave these sessions as appropriate; Staff and Student Governors do not attend.

Once approved, open Corporation and Committee minutes are available on the website. Requests for information about the Corporation and its business not available through the College's Publication Procedures (Freedom of Information), this website or otherwise in the public domain, should be addressed to the Clerk at clerk@bexhillcollege.ac.uk. A Confidentiality Statement is published on the website and is attached at appendix 1.
