The Study Centre at Bexhill College is for all students to use as:

- A place to study
- A ‘drop in’ where staff are on hand to help.
- A place where you can develop skills such as:
  - Study skills
  - Revision and examination techniques
  - Analytical techniques
  - Organisation and time management
  - Essay writing
- A place to get help with some specific literacy and numeracy skills.
- A first step in testing for specific learning difficulties such as Dyslexia.
- A place to come if you need any extra help or support with any of your course.

Help & Advice...

The Study Centre can be used on a regular base or just as a one off for advice. It is up to YOU, you are in control of your course and what help or support you need.

You can find us next to the LRC. Drop-in or arrange a session through your personal tutor.

For further guidance on managing your time more effectively or for some study support sessions: Please drop into the Study Centre on the 2nd Floor next to the LRC.
Do You Think You Might Have Dyslexia?

What to do next if you think you may have Dyslexia:

- Visit the Study Centre or arrange appointment through your personal tutor.
- At the appointment we can discuss any difficulties you are experiencing and carry out an initial screening checklist exercise, which provides an indication of your likelihood of having dyslexia.
- If appropriate, we will administer a literacy assessment which will further investigate areas of difficulty.

Difficulties typically associated with dyslexia:

Everyone is different but most people with dyslexia are likely to have difficulties with which are unexpected for the individual’s age, educational level, or cognitive abilities with some of the following:

- Spelling
- Numeracy
- Short-term Memory
- Working with time limits
- Writing
- Reading

Strengths of people with Dyslexia:

Having dyslexia may give some advantages over people with conventional ways of working. Students with dyslexia often have some of the following strengths:

- Innovative / Lateral thinking
- Heightened awareness of the environment
- Intuitive problem solving
- Increased creativity
