Early Years Education Entitlement (EYEE Hours)

The EYEE Hours are available for all 3-year-olds from the term after the child's 3rd birthday. Each child is eligible for up to 570 hours free childcare each year which the nursery offers over 38 weeks or 50 weeks of the year. Some 2-year-olds are also eligible for funding, including children of working parents.

Some children are eligible for 30 hours per week totalling up to 1140 hours free childcare care per year if certain criteria are met. This is available for eligible children only with limited spaces available.
EYEE hours can only be used as follows:

Parents must have an eligible code to be able to access the funding. Parents have to have their applications completed and received their codes for one of the three start points during the year as follows: by 31st August for a September start; 31st December for a January start and 31st March for an April start. Following this: parents have to reapply every three months. HMRC will provide a reminder. For more information and to apply visit the childcare choices website: https://www.childcarechoices.gov.uk

Additional charges

£30 registration fee is payable upon completion of booking form and is non-refundable even if the place is not taken up. Fully funded spaces only (space with no additional hours or consumables) are exempt from the registration fee.

Invoices are prepared per calendar month and are payable in advance. Payment is due upon receipt of invoice and within 7 days of receipt. Late payments are subject to a £15 fee. Non-payment may result in the child losing their space.

A snack is provided mid-morning and mid-afternoon. Parents can provide this snack in line with our food guidelines or pay a consumable charge of £0.50 per session (£1 for the day). If the parent indicates they wish to provide their own snacks on the booking form but fail to do so or the snack provided is not in line with our food guidelines a charge of £0.50 per session will be charged as we will have to provide a snack to your child during snack time.

Parents need to provide nappies and suncream for children. Charges for these consumables of £2.50 per day will be charged if not provided.

Lunches – Parents can either provide a packed lunch or can order hot lunches which are available at a charge (currently £2.97 per day). Parents can order on the day. These are provided by Chartwells at Glyne Gap School. The Nursery Manager will make a weekly menu available on the board at the Nursery.

Late collection charges - It is very important that children are collected on time, therefore we have late charges, and fees will be charged whatever the circumstance of you collecting your child late.

Late fee is £5 for up to the first 5 minutes and an additional £5 will be added for every 5 minutes thereafter, you will be required to pay within 14 days.

Term Dates

The nursery is open 50 weeks of the year. Outside of term time, the Nursery operates a ‘holiday club’. Parents whose contract is for 38 weeks can book additional childcare in the holidays. Parents are asked to book in advance. Fees are charged on an unfunded session rate and therefore parents have the flexibility to book as many or as few days/weeks as they need.

Term dates are published separately.
